Proceedings of the Chief Commissioner of Mysore, Financial Department,
11th February 1876.

From the Offg. Secretary to the Chief Commissioner of Mysore, To the Secretary to th Government of India, Foreign Department, No. 6800—F. 101, (Finance), dated Bangalore, 22nd November 1875.

I am desired to submit for the favorable consideration and orders of His Excellency the in Council, the accompanying proposition statement providing for a scale of progressive salaries, for the officials of the establishment of the Deputy Inspector General of Police.

2. It has been difficult to estimate with any accuracy the office requirements of the Deputy Inspector General, until the revision of the Police, throughout the Province, has been fully carried out and hitherto this has been temporarily met by assistance from, and corresponding reductions in the Judicial Commissioner's Office, but considering the importance of not impairing the efficiency of the latter office, by continued reductions to meet the requirements of the Deputy Inspector General's Office it has been determined to sever the two offices at once, and to provide for a distinct establishment for the latter office. The gradual introduction of system into the Police Administration, with progress of reorganization, renders this the more necessary, and it is found impossible to carry on the duties with the existing small and inadequate establishment. The Office of the Deputy Inspector General has necessarily to deal with all details of Police Administration throughout the Province, from the preparation of books for the instruction of the men, to the promulgation of rules for internal management, the scrutiny of Police returns, and general supervision.

3. As an inducement to men who in time will have gained experience in the work connected with the Police, it is proposed to make the pay progressive ; the officials by gradual increments attaining their maximum salaries in 5 years, and it is further recommended that these increments shall not be claimable by mere tenure of office, but by the ascertained capacity of each individual. In case of men nominated to vacancies they will be required to enter at the lowest grade of salary, which will be raised only as they shew aptitude for the work.

4. The cost of the existing establishment of the Deputy Inspector General's Office is Rs. 290 per month, and this has been wholly met by transfers and reductions in the Judical Commissioner's Office. There is also a further saving of 90 Rs. in the latter Office, which it is proposed to utilize towards the revised establishment for the Deputy Inspector General ; deducting the above, the maximum increased charge after the 5th year for the Deputy Inspector General's Office will be Rs. 174 per mensem, and under the circumstances set forth, I am to solicit that the sanction of His Excellency may be obtained
